TECH CENTER 1600/2100

Claims 1-36 are pending in this application and are subject to a restriction requirement. Claims 1 and 36 are independent claims.

ULTIMATE SPECIES ELECTION REQUIREMENT

The Examiner has required election of an ultimate species to one of the following ingredients under 35USC121:

- I. solvent.
- II hydrophobically modified polysaccharide.

ELECTION

In order to be responsive to this requirement for restriction, applicant elects the ultimate species as follows:

- I. For the solvent, water is the ultimate species.
- II. For the hydrophobically modified polysaccharide, cetyl hydroxyethylcellulose is the ultimate species.

REMARKS

Reconsideration and withdrawal of the requirement for restriction are respectfully requested in view of the remarks made in the communication mailed May 26, 2000 which are repeated herein.

Respectfully submitted,

David Edwards
